A MESSAGE FROM THE CEO

Mark Jones

Dear Visitor:

On behalf of the Board of Trustees, management staff, employees, volunteers and medical staff of Pondera Medical Center, Welcome!

Pondera Medical Center is a truly extraordinary facility, with a highly dedicated, caring and educated staff. We are committed to providing our patients and the communities we serve with high quality, personalized health care. Our family caring for your family is more than just words here at Pondera Medical Center it is a way of life for us and we are committed to this way of life.

Pondera Medical Center is more than just a hospital; we are an extraordinary organization, our services include a dedicated emergency department, 20 acute care inpatient beds, obstetrical, surgical, respiratory, physical and occupational therapy services as well as laboratory and radiology services. We also house a 59-bed extended care facility recently honored with a 5-star rating making our extended care facility one of the very best in the country. And it does not end there, we also offer a wellness center, cardiac rehabilitation, home health services and durable medical equipment services.

As a community hospital we thrive on your praise and support. We recognize our responsibility to provide you with the very best health care available and I am proud to say that our physicians, providers and staff deliver on that promise every day one patient at a time.

Please take comfort in the fact if you or your family need one of our many services, they will be cared for by our family and have access to the very latest in medical technology and medical diagnostic equipment all operated by the highest trained staff available.

Pondera Medical Center is a Medicare certified and fully licensed by the State of Montana. We are a progressive participant in on-going quality monitoring and continuous quality improvement to provide you with the very best and highest quality health care available.

To say I am proud to be the CEO of this outstanding facility would be an understatement, it is my honor to be associated with such an outstanding group of medical professionals all here and working for your health.

Mark Jones, CEO
